

TO: Senate  
FROM: Tim Moore, Faculty of Science  
SUBJECT: Question Regarding Class Scheduling Parameters  
MEETING DATE: November 20, 2013

PREAMBLE: N/A

QUESTION: The university has recently issued its new parameters for class scheduling which determines not only the use of classrooms at McGill but also faculty members will teach. Why has the university chosen to solve a classroom access problem by impinging on the freedom of faculty to organize their time ar
